

Step 1: AK Rocker 200 Assembly

1 Attach Legs to Back

Slide Legs down into rear slots. 200 logo should be facing out.

2 Lock In Legs

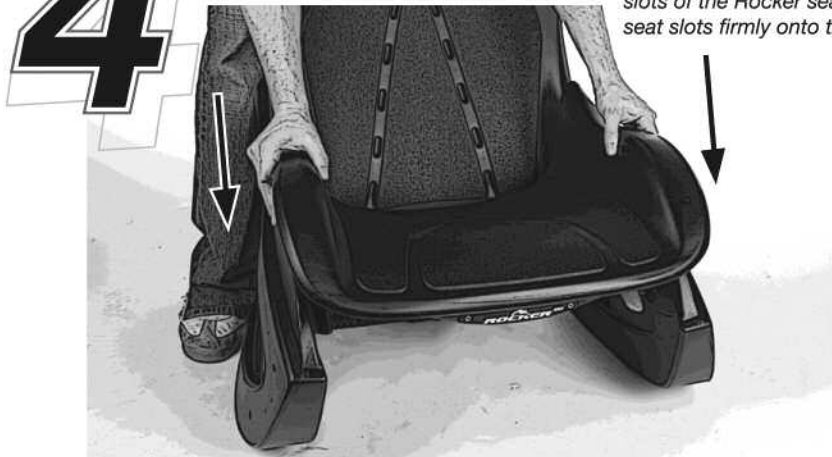

Firmly **bang** Legs and Back against floor to lock in Legs.

3 Power Strap Assembly Lay Rocker Down

Loop strap through holes in first leg, then through holes in the second leg. Fasten buckle.

4 Attach Seat Flip Rocker Upright

Match male slots of the Rocker legs with the female slots of the Rocker seat. Slide seat slots firmly onto the Legs.

5 Lock in Seat

Sit down to lock Seat into place. Seat should firmly snap in. Your Rocker is now ready to use. Enjoy!

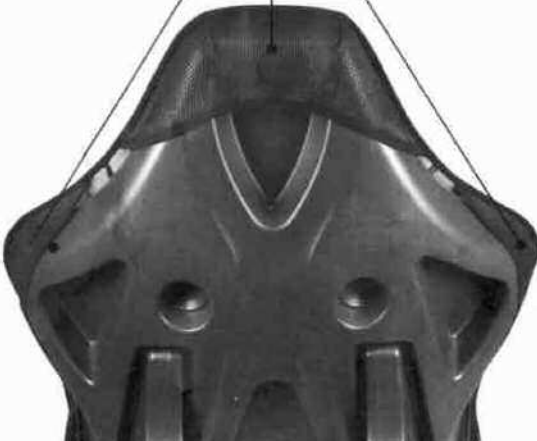

Step 2: Skin Assembly

1

Place mesh sleeves
over three points of

Back

1 2 3

2

Thread latch through pre-cut slit in skin seat
(located above the Rocker logo)

3

Secure both buckles

Fasten side clips around edge
of seat (5 on each side)

4

Tilt chair backwards and attach power strap as shown
